

MNC gathering to support activism

Margy Henderson and Rita Kerr from Zonta.

RECENTLY the Maleny Neighbourhood Centre hosted a free community lunch as part of the 16 Days of Activism Against Gender-Based Violence.

Instead of giving formal presentations, invited guests sat with community members during lunch.

This gave everyone a chance to share their

personal experiences, stories, and seek further guidance if they wished.

The MNC Christmas Breakfast is just around the corner and each year the community help make this day a success! If you would like to contribute to this wonderful community event, please call MNC on 5499 9345.
