## **MESSAGE FROM THE PRESIDENT:**

Dear Fellow Zontians

Well, here we are in another year and I sometimes feel just thankful to be upright, but that is only on bad days. Most days are diamonds and some are even gold! Showing my age now!

What a most pleasant Changeover Dinner our outgoing President Denise arranged for us – enjoyable and Sue singing just capped off the evening. Our thanks to Denise for her attention to detail, as well as her consideration of us all over the past year. I know she will be enjoying her overseas trip as I write. Several of us had a most enjoyable dinner evening last Friday night – my pork, prawns and blue cheese sauce was delicious. Beautiful food in a local restaurant – marvellous!

Ellen, Pennie and I sold sausages and onions, yummy Logan pea and ham soup, tea, coffee, soft drinks and water at the Searle residence mini clearing sale last Saturday in Spengler Road. Windy day, but we were sheltered in the garage and made a small profit which Joan will report on. Ali Searle was grateful we were there and a good opportunity to fly the Zonta flag. Always a sad day though when a widow has to try and tidy up affairs.

Your Board will meet at 5pm on Tuesday 19 June – before our dinner meeting. We will discuss if we wish to revert to having the Board meeting on the same day as the dinner meeting.

Please bring your new and interesting ideas to the table next week. I look forward to hearing of them and we can then put together an interesting programme for the coming year. Don't forget to encourage friends to attend a dinner meeting with you- if you feel they would enjoy joining us and the wider Zonta family.

Yours in Zonta

*Alice*

## PAST BEAUDESERT ZONTIAN RECEIVES OAM

Heather Waldron received an OAM in the Queen's Birthday Honours announced earlier this week. She was awarded it for services to the community through Zonta and service to health through optometry. Heather has been a Zontian for more than 30 years, serving as President with Beaudesert, Tamborine Mountain and Brisbane North clubs. She was the Charter member who got the ball rolling to form a Club in Beaudesert.

Speaking of OAM's, we have a member who also holds an OAM - Gerry Gimblett received one for services to Education.

The Yellow Rose of Zonta International was introduced at the 1984 Sydney Convention. Harkness Roses (UK) developed the rose and an Australian Zontian Marion Ross enabled the presentation of the rose. It serves as a symbol of Zonta Rose day on the 8th March and known as a symbol of friendship.
