## President's Message:

There are busy times ahead with International Women's Day on the horizon, YWPA Award to be finalized and Young Pilot's Award to be launched. Thanks to all members who are working to make the IWD Breakfast a success. Organization of the breakfast is well under way with the selling of tickets our next priority. Thanks to Meg for her work in organizing the YWPA Award. The winner will be announced at our March Dinner Meeting.

We welcome Diane to our Club and invite her to enjoy friendship and fellowship while joining in club activities to 'advance the status of women'.

Please find time to read your latest Zontian magazine, which gives a great insight into what is happening in the rest of the Zonta world. Included in this issue is the Call to Convention. I would like to hear from any members who are considering the trip to Convention. It promises to be an informative and fun-filled event. Also finding time to visit the redesigned Zonta International website at [www.zonta.org](http://www.zonta.org) is a worthwhile and interesting exercise.

'In order to facilitate the improvement of communication and to try to get the communication system working better', Governor Robyn Gaspari has requested the name, email (or postal if

they are not on email) and a convenient phone contact of members who are responsible for certain aspects of club organization. Those members whose names have been forwarded have been notified.

Governor Elect Ros Kinder is at present in Chicago at Governors Orientation. Area Director Anne is planning a visit to our Club in March this year.

I hope many members are considering attendance at the Area Workshop to be held in Gladstone in early May. If you have not yet attended a workshop, I can recommend attendance not only for 'education' but also for fellowship.

Thanks to Kerry who is offering her home as a venue for our February 'at home' meeting. See you there.

Yours in Zonta  
Berenice.
